

A CENTURY OF UNITARIANISM IN THE NATIONAL CAPITAL 1821 1921

There was only a short line, and in a moment he was standing in front of the box office window..The sailors gathered on the deck of the ship just as the sun began to set, and the grey man put one grey gloved hand on Amos' shoulder and pointed to the mountain with his other. "There, among the windy peaks, is the cave of the North Wind. Even higher, on the highest and windiest peak, is the second fragment of the mirror. It is a long, dangerous, and treacherous climb. "My dear sir, it is out of consideration for you that I have exposed you only to our lighter forms of entertainment I presume you are referring to something in the nature of a Music Hall, or Vaudeville. I assure you that, since the advent of Universal Education, even the popular taste has become too refined to tolerate the foolishness of sentimental songs and lurid melodrama. Also, please do not use again the expression you have just uttered. I mean the one beginning with the letter

His children had often asked him why a young man in his prime would turn his back on everything familiar and exchange twenty years of his life for a one-way journey to Alpha Centauri. They had good reason, since their futures had been decided more than a little by his decision. Most of the Mayflower II's thirty thousand occupants were used to being asked that question. Fallows usually replied that he had grown disillusioned by the spectacle of the world steadily rearming itself toward the same level of insanity that had preceded the devastation of much of North America and Europe and the end of the Soviet empire in the brief holocaust of 2021, and that he had left it all behind to seek a new start somewhere else. It was one of the standard answers, given as much for self-reassurance as anything else. But in his private moments Fallows knew that he really didn't believe it. He tried to pretend that he didn't remember the real reason..upset knowing I was here out of my time. So when you take her to lunch today, please don't mention you." A broken mirror is bad luck," said Amos. "Who broke it?" "Both. To that list we have to add 'by breathing.* That's a hard one, but other than that we're no different than any other group of survivors in a tough spot. In the cottage Brother Hart cried out in his sleep, a swift sharp cry. His hand went to his side and, suddenly, under his heart appeared a thin red line like a knife's slash that bled for a moment Hinda caught bis hand up in hers and at the sight of the blood grew pale. It was the second time she had seen Brother Hart bleed..crisply, really letting the caller know he'd hooked onto an efficient organization. She put her hand over the.Why bother?
