Ed shook it gravely..?John Bittingsley.Although the room was already quiet, the silence seemed to ~intensify with these words. Here and there in the audience, faces turned to glance curiously at one another. Clearly, this was not to be just another retirement speech. Congreve went on. "We have already come once to the brink of a third world war and hung precariously over the edge. Today, in 2015, twenty-three years have passed since U.S. and Soviet forces clashed in Baluchistan with tactical nuclear weapons, and although the rapid spread of a fusion based economy at last promises to solve the energy problems that brought about that confrontation, the jealousies, mistrusts, and suspicions which brought us to the point of War then and which have persistently plagued our race throughout its history are as much in evidence as ever..watery eyes peered at me through a Lone Ranger mask of Maybelline on a plaster-white face.
