Dame Fortune had become so well-disposed to him that he got his third endorsement (though in point of hard fact, his second) the very next night. The fated encounter took place at Morone's One-Stop Shopping, a mom-and-pop mini-grocery on Sixth Ave. right next to the International Supermarket. Although Morone's charged more for most items, Barry preferred sbdppng there because it offered such a limited and unchallenging range of choices (cold meats, canned goods, beer, Nabisco cookies) that he never felt intimidated and ashamed of his selections at the check-out counter. He hated to cook, but was that any reason he should be made to feel inadequate? Morone's was made to order for people like Barry, of which there are great numbers.. 8-C.." "Would you kill for me?" .. He replied, "They quickly become deaf and so have no need to speak. Indeed, few work more than. over Amos' wet clothes? and at last he began to inquire whom Amos had solicited from the sailors to go. Colman frowned to himself as his mind raced over the data's significance. No sane attacking force would contemplate taking an objective like that by a direct frontal assault in the center--the lowermost stretch of the trail was too well covered by overlooking slopes, and there would be no way back if the attack bogged down. That was what the enemy commander would have thought anyone would have thought. So what would be the point of tying up lots of men to defend a point that would never be attacked? According to the book, the correct way to attack the bunker would be along the stream from above or by crossing the stream below and coming down from the spur on the far side. So the other side was concentrating at points above both of the obvious assault routes and setting themselves up to ambush whichever attack should materialize. But in the meantime they were wide open in the middle.. swamp.. wear shoes till I was ten. You wouldn't believe it." He shook his head, remembering. "Always kinda
