"They show me what I should do," Irioth said, "and who I am. They know my name. But they never say it.". "Everything is practice," Tangle said. She was never ill-natured. She seldom thought to do anything much for her daughter, but never hurt her, never scolded her, and gave her whatever she asked for, dinner, a toad of her own, the amethyst necklace, lessons in witchcraft. She would have provided new clothes if Rose had asked for them, but she never did. Rose had looked after herself from an early age; and this was one of the reasons Diamond loved her. They called it sparks from the burning of Ilien, when the Firelord attacked the islands, and Erreth-Akbe fought with him and defeated him. Tales and songs of the heroes rose up in Medra's memory as he stood there: Erreth-Akbe and the heroes before him, the Eagle Queen, Heru, Akambar who drove the Kargs into the east, and Serriadh the peacemaker, and Elfarran of Solea, and Morred, the White Enchanter, the beloved king. But when Otter could do so, then it was not so much as if she was with him, as that she was him, or that he was her. He saw through her eyes. Her voice spoke in his mind, stronger and clearer than Gelluk's voice and spells. Through her eyes and mind he could see, and think. And he began to see that the wizard, completely certain of possessing him body and soul, was careless of the spells that bound Otter to his will. A bond is a connection.
