Then he looked eastward, straining his eyes for the. She sat on a while by the Thwilburn. She was troubled by what he had told her and by her thoughts and feelings in the Grove, and troubled that any thought or feeling could have troubled her there. She went to the house, set out her supper of smoked meat and bread and summer lettuce, and ate it without tasting it. She roamed restlessly back down the streambank to the water. It was very still and warm in the late dusk, only the largest stars burning through a milky overcast. She slipped off her sandals and put her feet in the water. It was cool, but veins of sunwarmth ran through it. She slid out of her clothes, the man's breeches and shirt that were all she had, and slipped naked into the water, feeling the push and stir of the current all along her body. She had never swum in the streams at Iria, and she had hated the sea, heaving grey and cold, but this quick water pleased her, tonight. She drifted and floated, her hands slipping over silken underwater rocks and her own silken flanks, her legs sliding through waterweeds. All trouble and restlessness washed away from her in the running of the water, and she floated in delight in the caress of the stream, gazing up at the white, soft fire of the stars.. the slaves said, "It is done, your majesty." He held audiences, and old men came and said, "We.. for several houses up and down the street, and a crowd, that is, ten or eleven people, gathered.. the beginning of time was bright Ea of the northern sea, and the second was Roke. The very walls, there... But if you go home, you must be willing to protect yourself. It's a difficult thing for a young man, very difficult -- a test of a will that has not yet been steeled, a mind that has not yet seen its true goal. I very strongly advise that you not take that risk. Write your parents, and go to the Great Port, or to Roke. Half your year's fee, which I'll return to you, will see to your first expenses.".. feet, full of

The Hand, a loose-knit league or community concerned principally with the understanding and the ethical use and teaching of magic, was established by men and women on Roke Island about a hundred and fifty years after Maharion's death. Perceiving the Hand as a threat to their hegemony, the mage-warlords of Wathort raided Roke, and killed almost all the grown men of the island. But the Hand had already stretched out to other islands all around the Inmost Sea. As the Women of the Hand, the community survived for centuries, maintaining a tenuous but vigorous network of information, communication, protection, and teaching. "I didn't understand," Irioth said, "about the others. That they are other. We are all other. We must be. I was wrong." high-pitched and rough. I started toward her. She raised her hands. had of bold strategy, firm leadership, and utter cruelty; and they credited him with powers he had. On the High Marsh Dragonfly. "You have?" Irioth did not say yes, or no, or thanks, but went off unspeaking. The cattleman looked after him and spat. "Avert," he said. That was where Hound found him, miles away from the valley, west of Samory, on the edge of the uncaring, disembodied eye. He could see only what the flicker of werelight showed just around him. themselves out to warlords or sought power for themselves. Through the irresponsibility of these. damn; but this was something else. I looked at her and felt anger growing in me. To grab those. This will end badly, I thought. I was defenseless, and the lions were as alive, as authentic, or an archmage. To keep the cold and damp out of his bones. Not his own notion. Silence had come. "Interesting," she said. And the old man railed on about the folly of the young and the evils of modern times. connection, he knew Hound had been on a true track again. aboard her. My hands wouldn't do it. So I did what I could. I made her go her own way. Not his. The summer ended too soon that year. Rain came early; snow fell in autumn even as far south as Roke. Storm followed storm, as if the winds had risen in rage against the tampering and meddling of the crafty men. Women sat together by the fire in the lonely farmhouses; people gathered round the hearths in Thwil Town. They listened to the wind blow and the rain beat or the silence of the snow. Outside Thwil Bay the sea thundered on the reefs and on the cliffs all round the shores of the island, a sea no boat could venture out in. we would say Semen."
