"Rose's spells work as well as ever," she said stoutly...they are true laws, founded not on what we want, but on what is. The just and the unjust, the potions used in aid of lust, jealousy, and malice. And a child's gift for magic became a thing to. Silence looked stricken. "Was he your friend?" Diamond thought his father meant the business -- the loggers, the sawyers, the sawmill, the took it and opened it, a face emerged, the mouth open, the lips slightly twisted, thin; it regarded. "What is?" arrived. Licky had left Otter outside sitting in the sun rather than in the room in the barracks...the way." He waited a while. He saw darkness, heard silence. Slow and halting, he entered the. Golden owned the mill that cut the oak boards for the ships they built in Havnor South Port and Havnor Great Port; he owned the biggest chestnut groves; he owned the carts and hired the carters that carried the timber and the chestnuts over the hills to be sold. He did very well from trees, and when his son was born, the mother said, "We could call him Chestnut, or Oak, maybe?" But the father said, "Diamond," diamond being in his estimation the one thing more precious than gold. "That's Roke Knoll, lad," the weatherworker said to Dragonfly, who stood beside him at the rail, "We're coming into Thwil Bay now. Where there's no wind but the wind they want." Tell him what he sees, Anieb whispered in Otter's mind, and he spoke: "A stream runs through darkness over a glittering roof. Under the roof is the House of the King. The roof stands high above the floor, on high pillars. The floor is red. All the pillars are red. On them are shining runes." "He lived here," Dory said, a glimmer of pride breaking a moment through her helpless pain. "The Mage Ath. Long ago. Before he went into the west. All my foremothers were wise women. He stayed here. With them." was to be made wizard when he went back to Roke. The Masters had sent him out in the world to gain now, if the cure didn't take and the beasts died after all. Avert the chance! But I wouldn't ask and met the witch's hand. They put their arms round each other in a fierce, long embrace. Then she could not answer him.. He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked others they said, "Ember can tell you." She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. Come if you like." He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it...it. He went down to the stream in which he had been named. He drank, washed his hands and face, "He only taught me names." rate he came with a very good prenticing fee paid beforehand in gold and ivory. Berry ducked his head and muttered. His eyes were dull. It seemed to Irioth that the man had been poisoned. When Berry went out again, the woman came closer and said, resolute, in a low voice, "There's no harm in him but the drink, but there's not much left of him but the drink. It's eaten up most of his mind, and most of what we have. So, do you see, put up your money where he won't see it, if you don't mind, sir. He won't come looking for it. But if he saw it, he'd take it. He often doesn't know what he's doing, do you see."
