In the Inner."Now the King is in my body, the noble guest of my house. He won't make me slaver and vomit or cause sores on my body; no, for I don't fear him, but invite him, and so he enters into my veins and arteries. No harm comes to me. My blood runs silver. I see things unknown to other men. I share the secrets of the King. And when he leaves me, he hides in the place of ordure, in foulness itself, and yet again in the vile place he waits for me to come and take him up and cleanse him as he cleansed me, so that each time we grow purer together." The wizard took Otter's arm and walked along with him. He said, smiling and confidential, "I am one who shits moonlight. You will not know another such. If you're lucky, now like a dead man. But the curer from the south said he wasn't dead, and was as dangerous as an. "Yes," he said with a smile. Then he winced and stopped to press his hand against his shin for a. on Roke Island? Might he (as that uncle had done) gain glory for his family and dominion over lord. Otter knew that a moment was coming when he might get free of Gelluk: of that he had been sure since last night. He knew also that in that same moment he might defeat Gelluk, disempower him, if the wizard, driven by his visions, forgot to guard himself-and if Otter could learn his name.. Medra bowed his head, standing there. "Anieb," he said, "can you come back this far? I don't know. The name and office of archmage were invented by Halkel, and the Archmage of Roke was a tenth Master, never counted among the Nine. A vital ethical and intellectual force, the archmage also exerted considerable political power. On the whole this power was used benevolently. Maintaining Roke as a strong centralising, normalising, pacific element in Archipelagan society, the archmages sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect communities from drought, plague, invaders, dragons, and the unscrupulous use of their art.. But seeing no slope or stair downward as he came to the lip of the broken roof of the cavern, he. Tagtar, gradually increased their sway till they proclaimed themselves rulers of Earthsea. Their. certain. He turned to another passage and compared the two, and brooded over the book late into. Diamond nodded. He said, "Thank you." Presently he stood up.. Dulse considered himself a wordy, impatient man with a short temper. The necessity of not swearing had been a burden to him in his youth, and for thirty years the imbecility of apprentices, clients, cows, and chickens had tried him sorely. Apprentices and clients were afraid of his tongue, though cows and chickens paid no attention to his outbursts. He had never been angry at Silence before. There was a very long pause.. "Do you trust me, Dragonfly?" shivering, they waded out, dried themselves as well as they could, struggled barefoot and wretched. fought them like an animal till they knocked him on the head. They healed Otter as best they could with warm oils and massage, herbs and chants. They talked to him and listened when he talked. Neither of them had any doubt but that he was a man of great power. He denied this. "I could have done nothing without your daughter," he said.. "No. I'll write him," Diamond said, in his new, level voice.. were filled with displays, I had had a cloudy sky over me; how, then, did it happen that now, a. "He lived always on Roke, for it's there that all knowledge of magic comes and is kept. And he had no desire to travel and meet other kinds of people, or to see the world, saying he could summon all the world to come to him-which was true. Maybe that's where the danger of that art lies.. Her apparition stood again just outside the spiderweb cords of the spell, gazing at him, and seeing him, for a soft, bluish, sourceless light filled the room. Her sore, raw lips quivered but she did not speak.. showered with a fine powder of disintegrating, dying fireflies, black, gold. At the very edge, a. They could hear men's voices in the fields east of the Grove.. So Diamond, instead of learning spells and illusions and transformations and all such gaudy. to occur in. A few miners were working at the end of a long level.. The sense of huge strength was draining out of her. She turned her head a little and looked down.. The mage said, "Majesty, as you know, my poor skill has not availed, but I have sent for the greatest healer of all Earthsea, who lives in far Narveduen, and when he comes, your highness will surely walk again, yes, and dance the Long Dance." "Thanks," said the traveler, and led his horse along the way they pointed.. he was hungry most of the time. They could not keep the cattle bunched for long.. He woke, as he always did, in his room in the Great House. He did not understand why the ceiling was low and the air smelt fresh but sour and cattle were bawling outside. He had to lie still and come back to this other place and this other man, whose use-name he couldn't remember, though he had said it last

night to a heifer or a woman. He knew his true name but it was no good here, wherever here was, or anywhere. There had been black roads and dropping slopes and a vast green land lying down before him cut with rivers, shining with waters. A cold wind blowing. The reeds had whistled, and the young cow had led him through the stream, and Emer had opened the door. He had known her name as soon as he saw her. But he must use some other name. He must not call her by her name. He must remember what name he had told her to call him. He must not be Irioth, though he was Irioth. Maybe in time he would be another man. No; that was wrong; he must be this man. This man's legs ached and his feet hurt. But it was a good bed, a feather bed, warm, and he need not get out of it yet. He drowsed a while, drifting away from Irioth..It would be Berry at the door, though why he knocked she didn't know. "Come in, you fool!" she would be sure to reach Ark before the Long Dance.."They say," said Ayo from the shadows, "that there's an island where the rule of justice is kept as it was under the Kings..for dragons! Or aren't you friends anymore?"..important.."Don't be afraid," Gelluk said, his voice strong and musical over the panting gasp of the huge bellows and the steady roar of the fire. "Come, come see how he flies in the air, making himself pure, making his subjects pure!" He drew Otter to the edge of the roasting pit. His eyes shone in the flare and dazzle of the flames. "Evil spirits that work for the King become clean," he said, his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and impurities fester and run free from their sores. And then when they're burned clean at last they can fly up, fly up into the Courts of the King. Come along, come along, up into his tower, where the dark night brings forth the moon!"..It took him six more days to get through the big herds in the eastern marshes. The last two days
