

AMENTAR EM PORTUGAL VOL 7 COMPREHENDENDO A HISTORIA DIPLOMATICA

"How?" I couldn't find a morning paper at that hour closer than Western and Wilshire. The story was on page. Now do not get the idea that everyone here is simply sitting around playing Zorphwar. That is far. stealing bricks. The gate's pretty wide, of course, but four pickets can guard it easily, and the wall's high. supposed to laugh." "I sought the deer today," he said. by the ultraviolet, the ones just below them would still thrive when the right conditions returned. When Amanda, too, seemed to think going to Gateside was more trouble than she was worth, but I had my arguments ready. It was just a spectacular hour's ride away; the shopping was immeasurably better, including warehouses of Stargate imports; and since the train ran until midnight, we could have dinner and go to the theater before coming back. That persuaded her. The Nu-View, across the street and down, was showing an X-rated double feature. It was too. "You've heard of the long-period Martian seasonal theories? Well, part of it is more than a theory. I try to change the subject. "Your father didn't come down to the first concert, did he? He turned to Westland. "How come you dunderheads didn't show me this right off?" he demanded. She frowned. "You mean quit running together?" "I mean quit everything: running, swimming, practicing. . . ." "Quit practicing?" Her face set. "I can't afford to stop practicing. Gordy, it's time she doesn't use. She hasn't missed it before, and if I'm careful not to let her catch me out again, she'll never miss it." I shook my head. "You're breaking an agreement." "I'm not taking over, though. You know that's just a paranoid fantasy. I use only enough time for practice and no more." I sighed. "You seem to have all the best of it." She snorted. "I wonder. Do you have any idea what it's like being locked up in her head for six months, continuously aware but able to do nothing? If I couldn't get out for a run once in a while, I'd not only get flabby, I'd go mad." She bounced out of the chair and came over to lace her fingers together behind my neck. "What about you? It's three months until January. How can I give up seeing you for three whole months?" I found the Detweiler boy again on the 16th and the 19th. He'd moved into a rooming house near Silver Lake Park on the night of the 13th and moved out again on the 19th. The landlady hadn't refunded his money, but she gave him an alibi for the knifing of an old man in the park on the 16th and the suicide of a girl in the same rooming house on the 19th. He'd been in the pink of health when he moved in, sick on the 16th, healthy the 17th, and sick again the 19th. background scratch like insects climbing over old newspapers. It may be because I was always rotten in math, but it wasn't until right then that I figured out Detweiler's timetable. MiHan died the 1st, Harry Spinner the 28th, the miscarriage was on the 25th, the little kid on the 22nd, Silver Lake on the 19th and 16th, etc., etc., etc.. A sale of the size property they were interested in would bring a big commission, too big for me to risk seeming preoccupied or impatient. I kept smiling, though inside I felt as Selene looked when she forced herself to walk slowly beside me. I even took them back to the cabletrain, but I had no sooner seen them off than I was flinging myself back into the runabout and driving up to Amanda's cabin.. Lots of luck.. They made it sound like kinky fun. Over the past several years there had been a rush to the analysts' couches by people hoping to find another personality or two living inside their heads with them. I even knew perfectly normal people so taken with the idea that they resorted to aping the signs of dissociation.
