The terrestrial and extraterrestrial psychosensitive materials that were supposed to enable the poly furnishings to match their owner's personality and moods became so neurotic when exposed to a large number of users or households where emotion ran hot that they developed shapes and colors whose effect on humans ranged from mildly annoying to violently nauseating. Polys were appropriate for Amanda, though. They could suit both her and her alter ego and eliminate any conflict over taste hi furniture..isfy their curiosity in

here where we can watch them, she reasoned, than have them messing things up outside..Amanda Gafel and Selene Randall came to Aventine during the autumn hiatus, when the last of the summer residents had gone back to jobs in the city or followed the sun south, and the winter influx of skiers and skaters was still some weeks away. Aventine scarcely noticed them, and if my current cohab had not gone off through the Diana Mountain Stargate on some interstellar artists' junket, they might never have been more than clients to me, either. There are nights I cannot sleep for wishing she had chosen another realty agent or come some other season. I was alone, though, in the boredom of autumn when Amanda walked into my office with her seeds of tragedy and elected me gardener.. "That's right," said Jack. "And nearer than you think is a great, grey, dull, tangled, boggy, and baleful. I flagged a cab to take us back to the cabletraio station. Amanda said nothing for the entire ride, just sat staring at her hands clenched in her lap. I put an arm around her. She stiffened momentarily at my touch, then buried her face against my shoulder. 'I don't communicate with the public directly. Only with simulations, and their responses tend to be pretty stereotyped.'" "I'm aware of that," Barry said, smarting under the rebuke.. I bit my tongue but it was too late. She shrieked like a stricken animal and came at me swinging. There was a poker in her hand.. Amos and Jack climbed long and hard through the evening. When darkness fell, at first they thought they would have to stop, but the clear stars made a mist over the jagged rocks, and a little later the moon rose. After that it was much easier going. Shortly the wind began. First a breeze merely tugged at their collars. Then rougher gusts began to nip their fingers. At last buffets of wind flattened them against the rock one moment, then tried to jerk them loose the next The rope was very useful indeed, and neither one complained. They simply went on climbing, steadily through the hours. Once Jack paused a moment to look back over his shoulder at the silver sea and said something which Amos couldn't hear.. They reached what must have been the center of the maze and found the people everyone had given up on. Eighteen of them.
