"The verdict will probably end up accidental death. Everybody's bonded. Jain was insured for millions. Everything will turn out all right for everyone." She stares at me for several seconds. "Except Jain. You bastard." "You might," said Amos. But though his heart was with Jack, he still felt a good spirit was important to keep up. "But we might see it a lot more clearly from the top of this mountain," But as he said it, the last light of the moon winked out. Now even the stars were gone, and the blackness about them was complete. But as they turned to seek shelter in the rising wind, Amos cried, "There's a light!" "A cenotaph," says Hollis. I See You 9. "What's up?" She beamed. "Isn't it wonderful? I started three days ago. It's like a dream come true." 27. Jack gazed out at the moon and sighed. "If it were daylight, I wonder could I see all the way to the Far Rainbow from here." My chair scraped back as I stood up. "Who are you?" This statement is, I think, based on a cognitive error inculcated (probably) by American high school. For a moment, Amos was just a little afraid. Then it stood erect. It was about the size of a cat It was pink and moist and hairless and naked. Its rocker, was carried off in the opposite direction. In their room, Darlene lay shivering on the bed, eyes closed. Her head moved ceaselessly on the. "We were suiting up when you got here. It takes about half an hour; so we couldn't get out hi time to. She made it in time to see her shipmates of the last six months gasping soundlessly and spouting blood from afl over then" faces as they fought to get into their pressure suits. It was a hopeless task to choose which two or three to save in the time she had. She might have done better but for the freakish nature of her struggle to reach them; she was in shock and half believed it was only a nightmare. So she grabbed the nearest, who happened to be Doctor Ralston. He had nearly finished donning his suit; so she slapped his helmet on him and moved to the next one. It was Luther Nakamura, and he was not moving. Worse, he was only half suited. Pragmatically she should have left him and moved on to save the ones who still had a chance. She knew it now, but didn't like it any better than she had liked it then. "Then it's good I am going to get it for you," said Amos, "because even with your sunglasses, it would give you a terrible headache." morning. The voice of Mission Commander Weinstein was accustomed to command, and about as emotional as a weather report.140."I See You" is the first new Damon Knight story in many yeans; it was the feature story in FASFs special Damon Knight issue (November 1976). As might be expected, it is a totally fresh piece of work and it shines with quality. Damon says of it: "You may think it is a short story, but it is really a novel on the plan of A for Anything and Hell's Pavement, only much compressed. i.hand in hand.."I just want to point out that instead of an expedition, we are now a colony. Not in the usual sense of planning to stay here forever, but all our planning will have to be geared to that fiction. What we're faced with is not a simple matter of stretching supplies until rescue comes. Stopgap measures are not likely to do us much good. Hie answers that will save us are the long-term ones, the sort of answers a colony would be looking for. About two years from now we're going to have to be in a position to survive with some sort of lifestyle that could support us forever. We'll have to fit into this environment.3.
