I pull her into the shelter of my arms, wrapping my coat around us both. "Do you want to go back down to the car?".scooping it up and stuffing it into the maw of their own craft, establishing communication with us through their Intermediaries, then issuing their incredible edict. They do not appear to care that they have interfered with Humankind's grandest endeavor. Our vessel is Terra's first bona fide starship, in which the captain and I were to have accelerated through normal space to light-velocity, activated the tardyon-tachyon conversion system and popped back into normal space in the neighborhood of Alpha Centauri. I can understand how the captain feels..He stood up and went in the bathroom. The light came on and I heard water running. The thing sat in."Now let us find your luminous pool," said Amos, "so we can be back by lunch..". "But I can never express it.
