And then, "There's been considerable talk in the city and the suburbs since we walked off the job this morning about Divine Wrath, the inference being that us fellows, by bringing the Project to a halt, are in for some. Well, don't you believe it, fellow members of Local 209?don't you believe it for one minute! Nobody's going to incur Divine Wrath just for making sure he's got enough bread on the table and enough left over from his paycheck to have a couple of beers with the boys. If anybody's going to incur it, the Company is. Vampires are usually stupid. They always give themselves away by leaving those two little teeth marks on people's jugulars..".I let myself into number seven with the master key. The drapes were closed, and so I took a chance and turned on the bathroom light. Detweiler's possessions were meager. Eight shirts, six pairs of pants, and a light jacket hung in the closet. The shirts and jacket had been altered to allow for the hump. Except for that, the closet was bare. The bathroom contained nothing out of the ordinary?just about the same as mine. The kitchen had one plastic plate, one plastic cup, one plastic glass, one plastic bowl, one small folding skillet..".I've met her friends..".Caro rolled her eyes. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy?the promise of escape into a wonderful Other world?is one I

find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modern Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rads The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson does), and the writers of Bored of the Rings, the Lampoon parody, from which came "Arrowroot, son of Arrowshirt". curtains closed, and the bearers trotted off with it. We stood there laughing..That, in a nutshell, was Barry's problem. At last he had his license and could talk to anyone he wanted to talk to, but he didn't know what to talk about. He had no ideas of his own. He agreed with anything anyone said. The skit had been both essentially truthful and unjustifiably cruel. Too much sunbathing probably was dangerous. Porpoises probably were as smart as people.. "It would be all right for a while," she recalled. "But the pressure would build until I had to go out and find someone to talk to. It is a basic human need, after all. Perhaps the basic need. I had no choice."..Its eyes looked uncomprehendingly about.
