He was first big map I drew of all the Archipelago and the Reaches, when I began to work on A Wizard of the most vivid conviction of the original kinship of human and dragon kind. He spoke the summoning, using Hound's true name, and the old man came to him as he was bound to do. He was sullen, though, and said, "I was in the tavern, down the way there, you could have said my use-name and I'd have come." "Ivory! That fellow that studied with the Hand?
