but odder yet that, despite them, she looked like herself and not Amanda. Energy ran like a restless, self-willed thing under her skin. She could not even sit without that coiled-spring tension. "You have done very well," said the grey man pointing to the wall where he had hung the first two pieces of the mirror together. Now they could make out what the shape of the third would be. "And if you get the last one, you will have done very well indeed." So in fact he hadn't passed the exam. Or maybe he had. He'd never find out. 202.211. "It must be ... unusual . . . to live in the same place all your life." A block south of the Federal Communications Building, he looked up, and there strung out under the cornice of the building was the motto, which he had never noticed before, of the Federal Communications Agency: the whirlbirds had built it, only taking down an obstruction here and there to allow humans to move. "I am Jack, the Prince of the Far Rainbow, and I am a prisoner here." Left to himself he couldn't stop thinking about the staple he'd seen on her license. It was like the seemingly insignificant clue in a detective story from which the solution to the whole mystery gradually unfolds. For didn't it strongly suggest that she too had been given the benefit of the doubt that she'd got her license not because her score entitled her to it, but thanks to Bylaw 9(c), Section XII? The grey man took the last piece of the mirror, went to the wall, and fitted it in place, saying, "The. wished I coulda gone to school," he murmured softly. Crawford waited until she had run through a long list of reasons why they were doomed. Most of them made a great deal of sense. When she was through, he spoke softly. The gale blows itself out on the morning of the 26th. The sun is bright, the sea almost dead calm. Smith is able to catch glimpses of figures on deck, tilted above dark cross-sections of the hull. A sailor is splicing a rope in the stem, two others lowering a triangular sail between the foremast and the bowsprit, and a fourth is at the helm. A little group stands leaning on the starboard rail; one of them is a woman. The next glimpse is that of a running figure who advances into the screen and disappears. Now the men are lowering a boat over the side; the rail has been removed and lies on the deck. The men drop into the boat and row away. Issues are, in any case, more important than personalities, although there is a (small) section of fandom which sees in aesthetic or political disagreement nothing but personal squabbling motivated by envy. It's not for me to judge how good my criticism is; if enough readers think it's bad, and the editor thinks so too, presumably hell stop printing it although writing book reviews (except for places like the New York Times) is underpaid, overworked, and a labor of love.
