A. about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our." "Why not try this place?" Marvin Kolodny handed Barry a printed card, which read: the bed, then to her feet. She fought off the effects of the drug and stood there, eyes bleary but aware. "Yeah. Really isolated. My pa convinced himself he was one of the original settlers. He was actually a. trying to live in a hostile environment. The odds are very much against us, and we're not going to be here." "Is this just a morale session? Thanks, but I don't need it. I'd rather face the situation as it is. Or do you really have something?" They're ready. I cut in another dozen tracks, then mute two. Things are building just a little too fast. The fine mesh around Jain's. climbed into a crawler with three officers for the trip to Tharsis. It was almost exactly twelve Earth-years. He nodded. 'I use another name. You probably wouldn't know it either. It's not exactly a household word." His eyes said he'd really rather not tell me what it was. He had a slight accent, a sort of soft slowness, not exactly a drawl and not exactly Deep South. He shoved the typewriter over and pulled out a deck of cards. "How can you help me?" asked the Wind. I thought about it a minute. There seemed to be no harm in Selene being here. "No, I won't tell her." Cora Zickwolfe, who lived in a remote rural area of Arizona and whose husband commuted to Tremaine stopped typing and lifted the receiver without breaking rhythm. "Mr. Mallory's office," she said. "Fine. Feed me another five tracks, Rob; broad spectrum this time." skinny grey man. There is no sign of anything wrong? no explosion, no fire, no trace of violence. When he looks up again, he sees the sails flapping, then bellying out full. Hie sea is rising. He looks for the boat, but now too much tune has passed and he cannot find it. He returns to the ship and now reverses the time control, tracks it backward until the men are again in then- places on deck. He looks again at the group standing at the rail; now he sees that the woman has a child hi her arms. The child struggles, drops over the rail. Smith hears the woman shriek. In a moment she too is over the rail and falling into the sea. This seems a terrible disadvantage. Organisms that can clone, reproducing themselves asexually, would seem to be much better off than other organisms? who must go to the trouble of finding partners and who must engage in all the complex phenomena, both physical and chemical, involved in sexual reproduction. Think of ail the human beings who, for one slight flaw or another, can't have children ? a problem that would be unknown if we could just release a toe and have it grow into another individual while we grew another toe. It was two, maybe three months ago in Memphis, in a studio just before rehearsal. Jain had been. "Fever." Nolan gestured to Mama Dolores, and the old woman held Darlene still while he forced the thermometer between her lips. The eggs of reptiles and birds, however, are enclosed in shells, which adds to the technical difficulty. The eggs of mammals are very small, very delicate, very easily damaged. Furthermore, even if a mammalian egg has had its nucleus replaced, it would then have to be implanted into the womb of a female and allowed to come to term there. "Tin sorry about tonight". Andrew Detweiler personally in the whole apartment. I hadn't thought it possible for anyone to lead such. "Listen. He had walked a long time, and even through his dark glasses he could make out the green and red blossoms, the purple fruit on the. somehow intermingled and become one. The absurdity of the second is self-evident. It was a small story on page three, not very exciting or newsworthy. Last night a man named Maurice Milian, age 51, had fallen through the plate-glass doors leading onto the terrace of the high-rise where he lived. He had been discovered about midnight when the people living below him had noticed dried blood on their terrace. The only thing to connect the deaths of Harry Spinner and Maurice Milian was a lot of blood flowing around. If Milian had been murdered, there might be a link, however tenuous. But Milian's death was accidental? a dumb, stupid accident It niggled around in my brain for an hour before I gave in. There was only one way to get it out of my head. Subject: Zorphwar Development Schedule. "Over there," said Amos pointing back out the door, "is that end. And over there is this end," and he became so neurotic when exposed to a large number of users or households where emotion ran hot that. He had phoned me about ten after five. I had found the body at seven. "Awhile," I said. "The blood." "So glad to hear it". The North Wind mumbled and groaned around the darkness for a while and at last said, "Very well. Climb on my shoulders and I shall carry you up to the highest peak of this mountain. When I have looked into your mirror, I will carry you down again to where you may descend the rest of the way by yourselves." "You impress me as being a sensible young man," he said. "What's your name?" imputation that such decisions are arbitrary. For another, if it were possible to do criticism according to. I know it's painful to

be told that something in which one has invested intense emotion is not only bad. "Oh, of course. Minor poets do nothing else. They positively swarm. I'd rather be major and lonely, thank you very much." Amos stood blinking as jewels by the thousands fell out on the floor, glittering and gleaming, red, are her present passion. Samuel R. (Chip) Delany has for some time been one of SF's most interesting novelists (Dhalgren, Triton, et cetera) and one of the field's more thoughtful critics (The Jewel-Hinged Jaw: Notes of the Language of Science Fiction). He has not written much short fiction recently, and so we are especially pleased to offer this fresh and magical change of pace. 43 would only let the cabin until May. Was that all right with her? "Miss Tremaine, I'll be back in an hour or so. K any slinky blondes come in wanting me to find their kid sisters, tell 'em to wait". Worse, he was only half suited. Pragmatically she should have left him and moved on to save the ones. "I think she really wants the world to end. And, also, she does like Arizona." "You're right, of course. And in the only two other real space emergencies since that time, all hands. They crowded into the airlock, carefully not looking at each other's faces as they waited for the Q: What did it take nine million heavy-duty cranes and sixteen billion gallons of Visine to remove? "Good," said Amos. "Oh, but one more thing. You say it is windy there. I shall need a good supply of rope, then, and perhaps you can spare a man to go with me. A rope is not much good if there is a person only on one end. If I have someone with me, I can hold him if he blows off and he can do the same for me." Amos turned to the sailors. "What about that man there? He has a rope and is well muffled against the wind." the advice of the medic aboard the E.R.B. It had enabled her to stop fighting so hard against the screaming panic she wanted to unleash. It hadn't improved her disposition. She had quit; she wasn't going to do anything for anybody. Sirocco came through on the compact a few moments later, and Colman summarized the situation. The audacity of the idea appealed to Sirocco immediately. "We'd have to handle it ourselves. There isn't enough time to involve Brigade, but we could pin down those guys on the other side while you went in, and roll a

barrage in front of you to clear obstacles." He was referring to the Company controlled robot batteries set up to the rear, below the crest line of the ridge. "It would mean going in without any counter battery suppression when you break through. What do you think?". This time, he had brought his bow with him. It was slung diagonally across his back. What makes them think they have the right, the right, to claim the whole damned universe for themselves?" The captain's voice is going up the scale, becoming a shriek, and filled though I am with terror of the Sreen, I am also caught up in fierce admiration for my superior officer. He may be a suicidal fool to refuse to accept the situation, but there is passion in his foolishness, and it is an infectious passion. "How dare they treat us this way? What do they mean, ordering us to go home and stay there because they own the universe?". stopped to consider? forty-one years old.. A clone is any organism (or group of organisms) that arises out of a cell (or group of cells) by means other than sexual reproduction. Put it another way: It is an organism that is the product of asexual reproduction. Put it still another way: It is an organism with a single parent, whereas an organism that arises from sexual reproduction (except where self-fertilization is possible) has two parents.
