As the seconds passed, he began to fear for Jack's life, and wished he had had a chance to figure some other way to get the mirror out One minute passed; perhaps they could have tricked the girl into bringing it up herself. Two minutes; they could have tied a string to the leg of a frog and sent him down to do the searching. Three minutes; there was not a bubble on the water, and Amos surprised himself by deciding the only thing to do was to jump in and at least try to save the prince. He said if I would work for him and carry his trunk, he would pay me a great deal of money with which I could buy a ship and continue my search. He told me that he himself would very much like to see a woman worthy of a prince. 'Especially,' he said, 'such a colorful prince as you.' I carried his trunk for many months, and at last he paid me a great deal of money with which I bought a ship. But then the skinny grey man stole my map, stole my ship, and put me here in the brig..
