I decided that I don't want to be a wizard."The people of the Archipelago speak Hardic. There are as many dialects as there are islands, but none so extreme as to be wholly unintelligible to the others..Havnor was better placed for trade and for sending out fleets to protect the Hardic islands."So when the Windkey returned, we were nine again. But divided. For the Summoner said we must meet again and choose an Archmage. The king had had no place among us, he said. And "a woman on Gont", whoever she may be, has no place among the men on Roke. Eh? The Windkey, the Chanter, the Changer, the Hand, say he is right. And as King Lebannen is one returned from death, fulfilling that prophecy, they say so will the Archmage be one returned from death."underfed dogs to keep interlopers off his land..It's unsettling. He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly,,they were true wizardry or mere witchery, as they said on Roke. Matters he certainly had never.After a while he said, "I could chase an etymology on the brink of doom ... But I think, Azver, that that's where we are. We won't defeat him."Their popularity ran ahead of them. It was known that they would trade for books, if the books.gleaned from his sailors' reports and the marvelous ancient charts kept in the palace. He studied.truths, immutable simplicities..He did not forgive his son. It would have made a happy ending, but he would not have it. To leave so, without a word, on his nameday night, to go off with the witch-girl, leaving all the honest work undone, to be a vagrant musician, a harper twanging and singing and grinning for pennies -- there was nothing but shame and pain and anger in it for Golden. So he had his tragedy..OTTER WAS THE SON of a boatwright who worked in the shipyards of Havnor Great Port. His mother.brass the wide, vaned wings opened and the dragon sprang up into the air, circled Roke Knoll once.. "Mages can do more than that," the girl said..forbade the teaching of any word of the True Speech to women, and though this proscription was.smock and leggings and a loathsome felt hat, did not wink back. She played her part even while.Printed in the U. S. A.. "Then should we go to Gont?" said the Herbal, caught in Azver's passion. "Sparrowhawk is there." "It isn't right. It isn't my true name! I thought my name would make me be me. But this makes it worse. You got it wrong. You're only a witch. You did it wrong. It's his name. He can have it. He's so proud of it, his stupid domain, his stupid grandfather. I don't want it. I won't have it. It isn't me. I still don't know who I am. I'm not Irian!" She fell silent abruptly, having spoken the name.. "Take your shoes off," she said, "they're soaking. Come in then." She stood aside and said, "Come."She can lodge in the town," the Changer said, with some relief.. "That's a formality. We senior sorcerers may carry a staff when we're on Roke's business. Which I."He does," she said. "He heals the cattle."The new student cleaned out the henhouse and hoed the bean-patch, learned the meaning of the.against the house wall, and Azver on the doorstep..work undone, to be a vagrant musician, a harper twanging and singing and grinning for pennies --."Will you trust me entirely, wholly - knowing that the risk I take for you is greater even than.there, right there in the village or the town, not off in the warlord's castle or fort, not.I paced the room. A sudden rush of warm air made the legs of my trousers flap..thousand years ago..Not a door opened in the narrow street. Nobody looked out to see what the noise was. Not till long.The people of Osskil, Rogma, and Borth are lighter-skinned than others in the Archipelago, and often have brown or even blond hair and light eyes; the men are often bearded. Their language and some of their beliefs are closer to Kargish than to Hardic. These far Northerners probably descend from Kargs who, after settling the four great Eastern lands, sailed back to the West about two thousand years ago..From Sesesry on the east coast of Ark where he left his passengers, having danced the Long Dance."I'd tell you mine," she said. "If that... if that's how we should begin."The true name of a person is a word in the True Speech. An essential element of the talent of the witch, sorcerer, or wizard is the power to know the true name of a child and give the child that name. The knowledge can be evoked and the gift received only under certain conditions, at the right time (usually early adolescence) and in the right place (a spring, pool, or running stream)..push -- though the push

Ogion, obedient, bringing himself back to himself in the stuffy, tapestried room in Gont Port, did not understand the old man's joke until he turned to the window and saw the Armed Cliffs down at the end of the long bay, the jaws ready to snap shut. "I will," he said, and set to it. "Did Nemmerle know you were coming to work with me?". what she pleased in order to have her do at last what he pleased, and the game, he thought, was as ever.. good house."
