

THE CHOSEN ONES BLACK MEN AND THE POLITICS OF REDEMPTION

So it became dangerous to practice sorcery, except under the protection of a strong warlord; and he had no thought of hiding or protecting himself. Luckily for him there were no guards about; there were few guards, and they were not on the alert, since the wizard's spells had kept the prison shut. The spells were gone, but the people in the tower did not know it, working on under the greater spell of hopelessness. "None of your business if there is! You go off, you turn your back on me. She gazed at him from her unreadable eyes, and finally said, "What must I do?" "You must find the true womb, the bellybag of the Earth, that holds the pure moonseed. Did you know that the Moon is the Earth's father? Yes, yes; and he lay with her, as is the father's right. He quickened her base clay with the true seed. But she will not give birth to the King. She is strong in her fear and willful in her vileness. She holds him back and hides him deep, fearing to give birth to her master. That is why, to give him birth, she must be burned alive." "If I do, it will be thanks to you," she said. In that moment he loved her for her true heart, and would have forsworn any thought of her but as his companion in a bold adventure, a gallant joke..
