"Could I have one of your shoes?" "You've heard of the long-period Martian seasonal theories? Well, part of it is more than a theory. our pink little hands? It won't work, I tell you." The end result will be that though my clones, or some of them, might turn out to be valuable citizens of one kind or another, it would be very unlikely that any one of them would be another Isaac Asimov, and their production would not be worthwhile. Whatever good they might do would not be worth the reduction they would represent in the total gene variability of humanity. we've not seen the end of all the copies, blatant and otherwise, of Star Wars. the living embodiment of the Protestant ethic. My nose was kept to the grindstone until I could no longer. I stood, too, and cupped her face between my hands. "Would that be so terrible? Then all the time. Barry turned the book over in his hands, examining the cover and the photo alternately, but would no more have thought of looking inside than of lifting Madeline's skirts to peek at her underclothes.
